Message Topic: **The Power of Prayer**

Scripture Text: James 5: 16-18

1. The prayer meeting is not about what we want to get things for ourselves but rather a time to focus on God and receiving His grace and strength for our Christian walk.
2. Prayer is a privilege for Christians to commune with God. One important thing we must do is to confess our faults one with another and pray one for another.
3. When we have unforgiving spirit in our hearts and are filled with pride, then there is no power in our prayers as God is not pleased with us. We must be willing to spend more time in prayers for others.
4. The Bible tells us the effectual fervent prayer of a righteous man availeth much. It is important to note that only the prayer of a Christian is heard by God. For the Christian's prayer to be effective, he or she must live a holy and righteous life before God.
