Message Topic: **What is to be a Christian**
Scripture Text: Colossians 2: 6-7

1. In our conversation experience, it is the beginning of a growing relationship with God that will never end. The growth of a Christian is consistent with his beginning in salvation. If there is no salvation in the first place, there will not be any growth or a changed life in Christ.
2. To be a Christian, we must first receive Jesus Christ as the Saviour and Lord of our lives. We can't be a true believer if we are only a Sunday Christian. A true believer submits to the Lordship of Christ as we represent Jesus Christ all the time everyday.
3. To be a Christian, we will walk in Christ. Our Christian life is a pilgrimage as we travel to Heaven. We ought to progress and grow in our faith and forsake sins in our lives.
4. To be a Christian, we will be rooted and built up in Christ. When the storms of lives come our way, we will not fall and waver but remain firm in Christ. Our foundation is only in Jesus Christ.
5. To be a Christian, we will be abounding with thanksgiving. A Christian is always a grateful and thankful person to God and to fellow men.
