

17 October 2010 - Preached by Pastor Douglas Ho
Message Topic: **Praying and Proclaiming**
Scripture Text: Colossians 4: 2-6

1. Praying and witnessing are important to a Christian but often we lack in these 2 key areas in our lives. This has hindered our growth in the Lord.
2. We are to continue in prayer and be faithful and persevering in it. Often we excuse ourselves from praying by saying we are tired. Our spiritual weakness is caused by our lack of prayers. Not praying is a sin.
3. Our prayers should be aligned to God's will. We should not be discouraged when there is no immediate answers to our prayers as God has His purpose and timing in everything and we learn to wait upon His perfect will.
4. We are to be witnesses for the Lord by living for the Lord and bearing a good testimony for Him.
5. We are to preach the Gospel knowing it is the end time and be fully persuaded that souls are perishing without Jesus Christ. Let us be the salt and light of this world to influence unbelievers to the Lord.
