Message Topic: **Taming the Tongue**

Scripture Text: James 3: 1-12

1. In the multitude of words, it is easy to sin and transgress. We must learn from our Lord Jesus as there was no guile in Him.
2. The tongue carries with it a heavy responsibility in that it can teach God's Word but it means a greater condemnation if God's Word is taught incorrectly. We must be bold to preach the Gospel even with oppositions.
3. We are prone to offend others with our tongue and we must learn to control it. Let us use our words to glorify God and encourage the saints.
4. Though the tongue is very small, yet it is an unruly evil and full of deadly poison. Often our words are a reflection of who we are. As God's children, let our tongues be instruments for God to use.
