Message Topic: **The Unspeakable Gift**

Scripture Text: 2 Corinthians 9:15

1. The world celebrates Christmas with feasting and shopping and fail to realize the significance of the greatest Gift that God has bestowed on mankind in His Son Jesus Christ.
2. As Christians, we learn to give out of a heart to return what God has first given us. God has given us His Son to come to this world to die for us on the cross.
3. In the Bible, we have the example of the Macedonian Churches who gave to help the poor Jewish believers in Jerusalem despite being poor themselves. They are able to do it because of the love of God in their hearts.
4. When God gave us His Son, it was a Gift that is fore-ordained before the foundation of the world. God has purposed and planned so that there is salvation for sinful man.
5. By simple faith with a humble and thankful heart, we can receive the Unspeakable Gift of God i.e Jesus Christ into our heart as our personal Saviour.
