Message Topic: **A Country called Heaven**
Scripture Text: Revelation 21: 1-8

1. There is no perfect permanent happy home on earth. Sins have ruined this world. As Christians, we must have deep longing for our Home in Heaven. Sadly, most of us don't think much of Heaven.
2. The Bible tells us that absent from the body is present with the Lord. This is our comfort in this life that we have the security of Heaven as our final and permanent Home.
3. Only those who have truly believed in Jesus will be able to go to Heaven. This is the promise of God as Jesus Christ has accomplished the salvation work for us on the cross.
4. As in Noah's time, people will not believe him of the judgment of the flood. Similarly, today, the world will not believe that Jesus is coming again to judge them. Only those who believe in Jesus will be taken up to Heaven.
5. In Revelation, we learn that in Heaven there is no death, no pain, no tears. All things are made new. God is so wonderful to prepare Heaven for us. May we always long for our Home in Heaven.
