Message Topic: **Blessed are the Enduring**
Scripture Text: James 5: 10-12

1. Our trials will only be over when we reach Heaven. The Bible says that he that endures to the end shall be saved. The Christian is an enduring person.
2. We must be courageous to face the trials of life and trust God to lead us through. The prophets in the Bible all went through sufferings and great trials too.
3. We must learn to fear God rather than men. If we look back, we are not worthy to be Jesus' disciples.
4. Let us count the cost and still be willing to follow Christ all our lives. Do not ask "why me" but rather submit to God's will and endure every trials and testing in life.
