Message Topic: **Pray in all Circumstances**
Scripture Text: James 5: 13-15

1. There will be times in our lives when we are afflicted with sickness or troubles. Do we pray during such times? Often we merely murmur and refuse to accept God's sovereign will to face the lot of our lives.
2. Prayer will bring us closer to God and enables us to accept God's will and submit to Him.
3. We must remember to pray for our church leaders and also leaders should pray for their flock.
4. We must pray in faith, believing God will answer prayers and He is faithful to hear and bless us.
