Message Topic: **The Twin Beasts**

Scripture Text: Rev 13

1. The future events must be understood by God's children so that we can change our present lives in the light of things to come.
2. The Bible tells us there will arise an unholy trinity to imitate the Holy Trinity of God the Father, God the Son Jesus Christ and God the Holy Spirit.
3. In the unholy trinity, there will be a first Beast which demands worship from the people. He is very powerful and will possess Satanic power. He will die and be raised from the dead.
4. This first Beast is the Antichrist and will imitate the Lord Jesus Christ. But he is evil and will make wars with the Christians. The world will be controlled by him with his military and economic power.
5. There will be a second Beast who is of the same kind like the first Beast but speaks like a lamb. He will deceive the world and cause them to worship the first Beast.
6. Today, we must warn people of the end times and not to worship the Beast, the Antichrist. The Lord Jesus will triumph over these 2 Beasts at the end of the 7 years of Tribulation.
