Message Topic: **Man's Rule on Earth is finally over**
Scripture Text: Revelation 18

1. Revelation 18 describes the reaction to the news that Babylon is destroyed. When Babylon will be destroyed from the face of the earth, there will be no more rule of man on this Earth anymore.
2. It is one thing to say that we love the Lord, and another thing to prove it with our lives and our reactions. Our actions and reactions will reveal how much we love Christ and show us where our heart is.
3. The kings, merchants and traders mourn for the destruction of this city because it is their source of wealth. We must never allow our heart to be in this world and cannot be partakers of the sins in this world. Our physical life is precious only for the purpose to be a witness to those around us.
4. Christians should rejoice when these immoral cities are destroyed. We must not be saddened and should look at the world from God's eyes. This world will get worse and worse and it cannot be our home. Our home is in Heaven.
