Message Topic: **Study of 1 Thessalonians Chapter 4 and 5**
Scripture Text: 1 Thessalonians 4 - 5

1. We ought to look forward to the coming of the Lord Jesus. It should change the way we live, the way we speak and the way we think.
2. His coming is like the thief in the night as we do not know the exact time and hour of His return. While waiting for His return, we have the greatest hope and motivation to live even when the going gets tough.
3. The ever increasing signs of the times tells us that we are in the last hours. As children of light, we will not be overtaken by the Lord's coming as we are prepared.
4. God has bought us and paid the price for our sins. So our lives must shine for those who are still in darkness. We also should live a life without sins, so we may be effective in our service and edifying towards one another.
