Message Topic: **Babylon Will Fall**
Scripture Text: Revelation 14

1. The Bible tells us of the destruction of the infrastructure of Babylon in Rev chapter 17 and chapter 18 is about the destruction of its people. These are the unbelievers who will finally be cast into the Lake of Fire.
2. In Rev 14:1-7, we read of the people of God who oppose Satan. There are the 144,000 believers who will be protected by God during the 7 years of Tribulation. They have mortal bodies and will enter into the Millennium. For others who take the mark of the Beast, God will judge them.
3. Babylon is the capital city of Satan. The ecumenical movement to unite all religions will proceed from it and all evil activities that oppose God.
4. In Rev 14:8-20, we read of those who follow Satan. Those who worship the Antichrist will be judged by the wrath of God with eternal torment.
5. The true believers will suffer persecution but they will hold on to their faith in Jesus Christ and persevere on their entire life to do God's will. The Lord Jesus Christ will come again to overcome Satan and the Antichrist.
