

10 June 2012 - Preached by Dr Jeffrey Khoo

Message Topic: **Christian Testimony**

Scripture Text: Romans 12:14-16

1. Evangelism is done both by our sharing of the Gospel and also by our life testimony. We must show love and care for others that the unbelievers can see Jesus Christ living in us.
2. For those who treat us badly and even persecute us, we must be filled with the love of Christ not to retaliate and take revenge. The Bible teaches us to bless and curse not.
3. True Christian love will be able to rejoice with those who rejoice. We will not be jealous of the success of others. Also, we will be able to weep with those that weep. We will not care only for ourselves but reach to those who need help and encouragement.
4. As Christians, we are to be united in the truth of God's Word. We need to learn humility and be lowly in serving others. We should pray and care for others. Let us not be conceited and proud to think highly of ourselves. When we obey the teaching of God's Word in Romans 12:14-16, we can then bear a good testimony for the Lord Jesus.
