

20 May 2012 - Preached by Elder Douglas Ho

Message Topic: **True Christian Love**

Scripture Text: Romans 12:9-10

1. True Christian love brings joy but it can also be the worst pain when the relationship between Christians do not work out. Love must only be explained by God's term and done according to how God has demonstrated it. We see God's love through His action by sending His only Begotten Son to die on the cross for our sins.
2. The devil will cause the members in the Church not to work well with each other. Love should occupy a prominent place in our hearts for one another. Even in the fruit of the Spirit, love is stated first.
3. Let love be without pretense and hypocrisy. We cannot pretend to love someone. If there is a lack of love in the church, it is because of our unwilling spirit to love one another unconditionally and our failure to forgive each other.
4. Christians should treat each other in this way: in honor preferring one another. Christians who are not talking and fellowshiping one another should quickly reconcile with one another. We need to soften our hearts for reconciliation. True Christian love comes about by knowing how much Christ loves us.
