

24 June 2012 - Preached by Dr Tow Siang Hwa  
Message Topic: **Thanksgiving Anniversary Reflections**  
Scripture Text: Psalm 100

1. In this 25th thanksgiving anniversary of our Church, we are reminded to go forth with the Gospel of Jesus Christ till Jesus comes again. Heaven rejoices over one soul that is saved. One soul that is saved is worth more than the whole world. Our effort to preach the Gospel is worth it all when we see Jesus Christ.
2. In Psalm 100 verse 1, we look forward to the day when all lands on earth will make a joyful noise to the Lord. This will happen when Jesus comes again to rule on earth during the Millennium. Christians should rejoice every day even when there are trials and difficulties as the great day of the Lord is coming for us.
3. In verse 2, we are encouraged to serve the Lord with gladness. The Lord Jesus is worthy of our service for Him and we must never be tired of serving.
4. In verse 3, the truth of creation is clearly taught that it is God who made us and not we ourselves. Evolution is wrong which the world teaches.
5. Our response to God who is our Creator is to enter into His gate with thanksgiving (v.4). Let us always come to God's House with joy and to come early to prepare our hearts to worship the Lord. We come to worship the Lord Jesus because He has saved us. We are grateful and thankful to the Lord Jesus Christ for He is good and full of mercy (v.5).
