Message Topic: **Doctrine of Justification**

Scripture Text: Romans 5: 1-11

1. What is Justification? It is to be made righteous and not stand guilty before God anymore. Justification is the act of God's free grace on the basis of faith alone in Christ alone.

2. Sin separates man from God. Man will not seek after God by themselves though they think that by doing good they can go to heaven. The Bible tells us all our good works are filthy rags before God.

3. Justification is a divine act of grace. By the shedding of His blood, the Lord Jesus Christ cleanses us from all sin. The Lord Jesus Christ became the propitiator of our sins and the mediator between God and man. Thus we will never be judged for our sins.

4. What is Justification in relation of works? We are God's workmanship in Christ Jesus created unto good works. Good works in a believers' life is a result of true salvation in Jesus Christ. When people see us doing good works, they will glorify God in heaven.

5. What is the result of Justification?

Firstly, sinners are made right with God as all our sins are forgiven. Secondly, we have peace with God. Thirdly, we have the peace of God in our hearts. Fourthly, we have the hope in God. We rejoice in the hope of glory of God that one day we will be with God forever in Heaven.
