Message Topic: **As it was determined**

Scripture Text: Luke 22: 11-23

1. It is important that we understand the full impact of the Lord Jesus Christ's death on the cross for sinners. With this right biblical understanding, we ought to re-order our lives to live for our Saviour.
2. The death of Christ is more than just remembering His sacrifice for the forgiveness of our sins. We must see and understand that God has already pre-determined our salvation before the foundation of the world.
3. God's original eternal plan was (and still is) that man whom He created would have the divine and close fellowship with Him for all eternity. When man fell into sin, God has already determined that there is only way for man's salvation which is through His only Begotten Son Jesus Christ. We are reconciled to God through Jesus Christ.
4. In God's divine plan, we see how man, who is saved by grace through Jesus Christ, can now enjoy fellowship with God again. This fellowship with God will be eternal as God has planned in the new heaven and new earth.
