

29 June 2014: Preached by Dr Jeffrey Khoo

Topic: **Are All Religions The Same?**

Scripture Text: 1 Tim 2:3-6

1. We must preach the Gospel of Jesus Christ to others as there is only one true and living God in this world. There is only One Saviour Jesus Christ that can save us from our sins.
2. In this world, many people worship the created beings like trees and animals, rather than the true and living God who created the world and man. Man has sinned against God by not worshipping Him.
3. In Deut 6:4, the Bible tells us clearly the LORD our God is one LORD. Beside Him, there is no other God. In Exod 20:3, God commanded us to have no other gods before Him.
4. We are saved from our sins because Jesus Christ died on the cross for our sins, and not because we do any good works. The Lord Jesus Christ rose on the 3rd day and had conquered death for us sinners. He is truly God and only Saviour for mankind.
