Topic: Never Fear, God is Near!

Scripture Text: 1 Samuel 19

1. Many things in life cause us to fear. If we stand faithfully for the Lord and suffer for Him, then we need not fear as God is near us and is our comfort. However, if we did wrong, then we better fear for we will be judged by the Lord.
2. King Saul wanted to kill David but David needed not to fear as God would protect him. God used human agents to protect David through Saul's son Jonathan and Saul's daughter Michal who was also David's wife.
3. Though David was anointed to be the next king of Israel, it was never an easy path to the throne. It was full of difficulties and David had to learn to trust fully in the Lord.
4. God also used supernatural means to protect and deliver David from King Saul. Saul's messengers were sent to capture David but God caused them to prophesy. It happened to King Saul too who was humiliated with his royal outer garment removed.
5. No man can fight against God to destroy God's children if it is in the will of God for His children to remain on earth. Nothing is impossible with God.
