

31 December 2017 Watchnight Service: Preached by Rev Dennis Kwok

**Topic: Number Our Days!**

Scripture text: Psalm 90

1. We must live accountably to our Creator and our lives must be lived purposefully for the glory of God. Through the Lord Jesus Christ, we have our eternal dwelling place in Heaven (v1). In God, we have everything. Therefore, let us set our affection on heavenly things and to number our days by living with God in sight and mind.
2. God desires to have peace with sinners and for them to repent of their sins (v3). His wrath is upon sinners (v7). The only way to return to God is forgiveness of our sins through the precious blood of our Lord Jesus Christ. The peace with God will give believers the peace of God in our hearts, enabling us to persevere.
3. Our life on this earth is fleeting, of 70 years and if by reason of strength, 80 years (v10). It is not how long we live, but how we live for Jesus' sake. There is no more time to waste. Soon, the Lord Jesus Christ will return. Let us live holy lives that are devoted to His fear and spend it with the motive of finding His favour. May we consecrate our lives to His service joyfully.
