

28 January 2018: Preached by Preacher James Tan

Topic: The Way to Heaven

Scripture text: John 14:1-7

1. Some people will claim that they know the way even though they have never travelled that road before. What we think is the way might not be. The Lord Jesus Christ loved His disciples and wanted them to know what was happening. The disciples were troubled after hearing what the Lord Jesus had told them. Therefore, He wanted to assure them.

2. The Lord Jesus Christ is the way and we must believe in Him (v1). Without Christ, we do not know the way. We cannot find the way to heaven on our own. This is God's love to the world. This way is not exclusive and anyone can believe. To believe is the only simple requirement. It is the way to escape condemnation (John 3:16-17).

3. We must also know the way, and know that the Lord Jesus Christ is preparing a place for us in heaven (v2-4). It will be a blessed place for us to dwell in. It is reassuring to know that He will come again to bring us there. This is God's promise to us.

4. We must always come to the Lord Jesus Christ (v5-7). He is the only way. Do not doubt or question Him. All the other ways are false, He is the truth. Only His way will lead to eternal life. Let us come to God the Father through the Lord Jesus Christ.
