Topic: Studies in Revelation – Blessed Revelation!

Scripture text: Revelation 1:1-3

1. God is the Author of the Book of Revelation and Apostle John was divinely inspired to write the visions and bear testimony of the things God revealed to him. God's Word is Truth and the prophecies revealed concerning the end times will surely come to pass.

2. The Book of Revelation writes the things which Apostle John has seen (Apostle John saw the Lord Jesus Christ in His glory and penned it down), the things which are (present assessment of the churches during AD 96) and the things which shall be hereafter (the future). The Book of Revelation was meant to comfort the believers who were undergoing much tribulation for their faith. It is also for the profit of all Christians to strengthen their faith.

3. The Bible is a spiritual book and has to be read with the help of the Holy Spirit indwelling us. With the illumination of the Holy Spirit and a spirit of humility, the Word of God will comfort us, be a blessing to us and assure us that God is in control of all events past, present and future. May we live soberly, righteously and godly in this present world and hide the Word of God in our hearts, that we may not sin against Him.
