Scripture text: John 6:66-71

1. Many in this world profess to be a Christian, a disciple and follower of Jesus Christ. What do we mean when we call ourselves a Christian? It should not be because of our family background, or that it can bring us health and wealth or entertainment.

2. We must not follow the Lord Jesus Christ for the wrong reasons. Or else, we will give up following Him when we are put to the test. The Jews followed the Lord Jesus Christ for food. They did not accept the message behind all His miracles. They were false believers and therefore, they eventually left the Lord Jesus Christ.

3. We must follow the Lord Jesus Christ because He is our Master. We believe in Him to be our Saviour. He is the Living Word and has the words of eternal life. He is the Son of the living God. This must be a genuine faith and an experiential knowledge, not just mental assent. We must receive God's Word humbly and have the highest view of God's Word. When we have true faith, we will continue to follow the Lord Jesus Christ no matter what.
