Topic: Are Your Spiritual Eyes Open?

Scripture text: 1 Corinthians 2:10-16

1. Spiritual sight is granted only to Christians who are born again in Christ. Without the Spirit of God, a man is spiritually blind, cannot know God and spiritual things are foolishness to him. After salvation, God continues to reveal the Word of God to us through the Holy Spirit. The Holy Spirit opens our spiritual eyes to understand and appreciate the Word of God. The Word of God will transform our life's purpose and ambitions. We now live for Jesus Christ and seek to bear a godly testimony for Him. As we know the will of God, He will freely help us to live for His glory.

2. Spiritual sight requires humility to seek God's help in the understanding of His Word. As we mature spiritually, our spiritual sight will become clearer and we will be more sensitive to sin. May the Lord grant us the wisdom and discernment to judge all things with the wisdom of Christ.

3. Spiritual sight enables us to have the mind of Christ. With a renewed mind, we are guided and constrained by the Truth and the Spirit. May we continue to lead sanctified lives that reflect the purity of Christ our Saviour.
