Speaker: Rev Clement Chew

Topic: Studies in Revelation – The Blessed God

Scripture text: Revelation 1:4-6

1. God is the blessed God who is sovereign, eternal and the Creator of all things past, present and future. Knowing that God is in control of things, we can be assured and rest in His care. By the rich mercies and grace of God, He granted us salvation through His only begotten Son Jesus Christ. We experience peace only when we have been reconciled to God through Jesus Christ.

2. Jesus Christ is the blessed God who is the Saviour of the church. Christ purchased our salvation when He conquered sin, death and hell by His resurrection from the dead. We worship Jesus Christ who is the King of kings and the Lord of lords, His dominion is over all principalities and powers.

3. Jesus Christ is the blessed God who made us joint-heirs with Him. Being the children of God, we are made priests unto God, giving us the privilege to offer our praise and prayers before Him. Christ made it possible for us to come boldly before the most high God and present our lives a living sacrifice unto Him.

4. All blessings flow from God and He is worthy of our laud and honour. The purpose of the church is to render God all glory and bless Him. May our lives reflect the character of Christ and be found to the praise of His glory.
