Topic: Does God Care?
Scripture text: Exodus 2:1-10

1. Pharaoh ordered the drowning of all Hebrew male babies and Moses' mother and sister were utterly helpless to protect baby Moses, but God was in control to preserve his life. Pharaoh's daughter saved Moses when she found him floating on an ark in a river. In times of helplessness, we need not fear as God's care upon His people is steadfast and sure.

2. God worked in the heart of Pharaoh's daughter, causing her to have compassion upon Moses. God's care was upon Moses throughout his life when he grew up in the Egyptian palace and was eventually used by God to lead the children of Israel to the Promised Land.

3. We can only be saved from our sins when we acknowledge our total depravity. The only way to heaven is by believing in the name of Jesus Christ. We must desperately turn to Jesus Christ in faith and receive Him as our Lord and Saviour.

4. God's ways are higher than ours and though it may seem mysterious to us, it is for our spiritual benefit. God is perfect in His wisdom and care for us. In times of desperation, we must trust in Him, remain prayerful, exercise patience and find solace in His sovereignty.
