Topic: The Resurrection and the Life

Scripture text: John 11:20-27

1. Resurrection Sunday is not about Easter eggs and bunnies. It is about the Lord Jesus Christ rising from the dead on the third day. He is no longer in the grave. Sin and death have no power over Him because He is sinless. Because He lives, we can live as well. Death is our great enemy and death happens because of sin. We all have to confront death one day. Are we ready?

2. We can be ready for death if we understand the truth that Christ is the Resurrection and the Life. Christ is not just 100% man but also 100% God. Therefore, life and death are in His hands. He purposely waited before going to Bethany because He wanted to point the people to the future resurrection. Lazarus truly died but Christ could raise him from the dead.

3. Understanding resurrection gives us hope. Believers will have a resurrection unto life. We will have glorified bodies and eternal life in the new heaven and new earth, forever with the Lord. If we want this resurrection of life, we must be in Christ, having a personal relationship with Him. We can have victory over sin and death by believing in Him. Do you believe Jesus is the Resurrection and the Life?
