Topic: The Word of Life  
Text: John 1:14

1. There are many people trying to find the truth (道) but they fail to do it with their own knowledge and wisdom. But the Bible, which is God's special revelation, gives us the truth about life. John 1:14 tells us that "the Word" is a person because He dwelt among us. Besides that, "the Word" is a man because He became flesh. John 1:1 tells us the Word is God. Therefore, Jesus Christ is 100% God and 100% Man.
2. Christmas is not about Santa Clause, but it is all about Jesus Christ coming to this world to save us from our sins. We deserve to die in the lake of fire because of our sins and that is our just punishment. But God loves this world and He sent Jesus Christ to come to this world as our representative to die on the cross for our sins. Jesus was born to die. But after His death, He resurrected and lives forevermore.
3. The written Word (Bible) tells us about the living Word (Jesus Christ). "The Word" gives life to all man who will receive the Lord Jesus. Whosoever believeth in Jesus should not perish, but have everlasting life (John 3:16). This "Word" is full of grace and truth. We receive this gracious gift of salvation which we are fully undeserving of.

*Will you receive the Word of Life, the Lord Jesus Christ, as your personal Lord and Saviour today?*
