Topic: Studies in Revelation - The Best Marriage Supper

Text: Revelation 19:1-10

1. This marriage supper of the Lamb in Revelation 19 is the best marriage supper one can ever attend. Jewish weddings are filled with festivities and the celebrations would last for several days. At the last day, the couple will then exchange vows and begin their lives together. That is the highlight of the marriage ceremony.
2. The people who are participating in the marriage supper of the Lamb are the believers (v1-4). It is a high honour and privilege to be found there because we are lowly servants before God. God, who called us to this marriage supper, is worthy of all praise and glory because He is the author of salvation. God will then establish justice upon the world. All those participating will rejoice and they will praise the Lord continuously.
3. This marriage supper of the Lamb is the best because of the purity of the bride (v7-8). In this case, the guest and the bride are one and the same. The bride adores herself with white linen, which represents the holiness of the saints. They were once filthy sinners but their sins were washed away by the blood of the Lamb.
4. The one who invites the guest is our Heavenly Father (v9-10). When John received the invitation, he fell on his feet because he was unworthy of such a glorious invitation. In the future, if we are a true believer, we will receive this invitation and we will also prostrate before our Lord and worship Him.
