Topic: Studies in Revelation - Armageddon!

Text: Revelation 19:11-21

1. The word Armageddon is found in Revelation 16:16. This is the transliteration of the Hebrew word "Harmegiddo" which means the hills of Megiddo. However, when used in the Bible, it is used in reference not to the hill itself but the huge plain beside it. It is the place where the final war will be fought at the end of the world.
2. The person fighting this battle will come from Heaven itself. His name is the living Word of God, Jesus Christ, who will wear many victor crowns (v11-12). The first time Jesus came to this world, He came humbly to save sinners. But the second time He comes, He will be a conqueror and judge. His title is faithful and true, because He is faithful and true to all His promises. Another name given to Him is King of kings and Lord of lords, emphasising on His eternal sovereignty (v16). The armies coming along with Jesus will be all the saints and angels.
3. One angel will finally call everyone to the supper of the great God (v17). All sinners will all be struck dead and there will be great blood spilled, about 320km in length. That is how angry God is with sin and the surety of His judgment. It will be a horrific and fearful sight with human bodies just rotting by itself. This victory will be a total victory. Antichrist and the false prophet will be cast straight into the lake of fire burning with brimstone (v20).

*Lay your hopes on the Lord Jesus Christ and you will not be disappointed*
